

- To complete the voucher, do the following.
- Print or type your name, address, and SSN in the space provided on the estimated tax payment voucher. If you have an IRS Individual Taxpayer Identification Number (ITIN), enter it wherever your SSN is requested. If filing a joint voucher, also enter your spouse's name and SSN. List the names and SSNs in the same order on the joint voucher as you will list them on your joint return.
 - Enter in the box provided on the estimated tax payment voucher only the amount you are sending in by check or money order. When making payments of estimated tax, be sure to take into account any 2017 overpayment that you choose to credit against your 2018 tax, but don't include the overpayment amount in this box.
 - Make your check or money order payable to "United States Treasury." Don't send cash. To help process your payment accurately, enter the amount on the right side of the check like this: \$ XXX.XX. Don't use dashes or lines (for example, don't enter "\$ XXX—" or "\$ XXX ^{xx}/₁₀₀").

- Enter "2018 Form 1040-ES" and your SSN on your check or money order. If you are filing a joint estimated tax payment voucher, enter the SSN that you will show first on your joint return.
- Enclose, but don't staple or attach, your payment with the estimated tax payment voucher.

No checks of \$100 million or more accepted. The IRS can't accept a single check (including a cashier's check) for amounts of \$100,000,000 (\$100 million) or more. If you are sending \$100 million or more by check, you will need to spread the payment over 2 or more checks with each check made out for an amount less than \$100 million. This limit doesn't apply to other methods of payment (such as electronic payments). Please consider a method of payment other than check if the amount of the payment is over \$100 million.

Instructions for the 2018 Estimated Tax Worksheet

Line 1. Adjusted gross income. When figuring the adjusted gross income you expect in 2018, be sure to consider the items listed under *What's New*, earlier. For more details on figuring your AGI, see *Expected AGI—Line 1* in chapter 2 of Pub. 505.

If you are self-employed, be sure to take into account the deduction for self-employment tax. Use the 2018 Self-Employment Tax and Deduction Worksheet for Lines 1 and 9 of the Estimated Tax Worksheet to figure the amount to subtract when figuring your expected AGI.
